\* Denotes session of continuing pharmaceutical education credit

The goal of this educational conference is to provide pharmacists and other allied healthcare professionals structured knowledge-based learning activities to increase awareness of addiction disease and recovery.

**Target Audience/Objectives:** This program is intended for pharmacists and other allied healthcare professionals. Upon completion of this program the pharmacist and/or technician should be able to:

053-999-012-024-L04 (K) 2 contact hours (0.2 CEUs)

- Identify three types of drugs that are misused or abused most often.
- Describe potential warning signs of addiction to legal and illegal substances.
- Explain the role of a pharmacist in helping to prevent prescription misuse or abuse.

053-999-012-025-L04 (K) 3 contact hours (0.3 CEUs)

- Extend clarity to attendees regarding the problem of sexual addiction.
- Summarize the origins of sexually addictive behavior while providing attendees with a working knowledge of sexual recovery.
- Identify basic referral resources and information including: self-help groups, review of 12-step programs, online resources and useful articles and books.

053-999-012-026-L04 (K) 1 contact hour (0.1 CEU)

- Identify drug addiction as it relates to a practicing pharmacist.
- Give example of the importance of support networks, both professionally and personally in the recovery process.

053-999-012-027-L04 (K) 3 contact hours (0.3 CEUs)

- Identify aspects of healthy recovery for pharmacists, student pharmacists, and pharmacy technicians.
- Give example of methods of treatment for chemical dependency and co-occurring disorders in the pharmacy profession.

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

#### **AWARDING CREDIT FOR PHARMACISTS**

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This seminar offers a total of 9 contact hours (0.9 CEU's) of continuing pharmaceutical education credit accepted by the Oklahoma Board of Pharmacy and most other states requiring continuing education. Please note next to the listed ACPE # the type of activity (K) = Knowledge-based CPE activity. For more information on activity types, please contact Sandy Warner at the University of Oklahoma College of Pharmacy at 405-271-6194. The program is designed as individual educational units and should be divided as noted in program materials. The University of Oklahoma College of Pharmacy records all credits granted and will retrieve records upon request. A statement of credit will be available to participants within four to six weeks upon verification of successful completion of the program. Credit for the program is awarded only for full participation and attendance is verified through official sign-in at the beginning of each session, the return of the program evaluation and the return of your nametag. Initial release date of 9/22/12.

#### **ENROLLMENT PROCEDURES/REGISTRATION FEES/REFUND AND GRIEVANCE POLICY**

Pre-registration is required to allow SWPRN to provide the appropriate faculty and materials necessary to meet the program objectives. Registrations will be accepted until 09/10/12. SWPRN reserves the right to limit registrations or cancel courses if registration is insufficient. There will be no refunds granted. Participants are encouraged to contact SWPRN at 405-557-5775 by 09/10/12 to confirm the status of the program. For any grievance associated with this educational activity, please notify the Continuing Education Administrator. You may contact Sandy Warner at the University of Oklahoma College of Pharmacy for a copy of Grievance Policies.
